ED'S LETTER

club DVD 9.1

As Editor of this magazine, my tastes have changed over the years. As I hit 40 I've come to appreciate the charms of the more mature lady while at the same time it's my job to scout out the hot new talent. Our columnist Karina examines the MILF in her brilliant new column, while we explore the younger end of the spectrum with some absolutely luscious photos of ladies wearing zilch. Another contrast: One of our set reports is a big budget feature, the other is called *Wet Tits*. All life is here... ▶

SMOO NEWS

FROM THE WEIRD WIDE WORLD...

ORGASMATRON!

A Seattle woman was admitted to hospital while experiencing an intense three-hour long orgasm after sex with her boyfriend. Less a case of the big "O", more the big "Oh balls, I've just chucked my muck but now I have to sit with my wife in a fucking waiting room". "I tried everything to stop orgasming," Liz told us. "Hopping up and down on the spot and drinking wine to take the edge off but it was no use. After two hours I asked [no doubt smug-looking] Eric to take me to A&E. People thought I was in labour I was making so much noise!" You're supposed to take her to heaven and back, not hospital, mate! Failing that, did you not think of using a bucket of cold water?

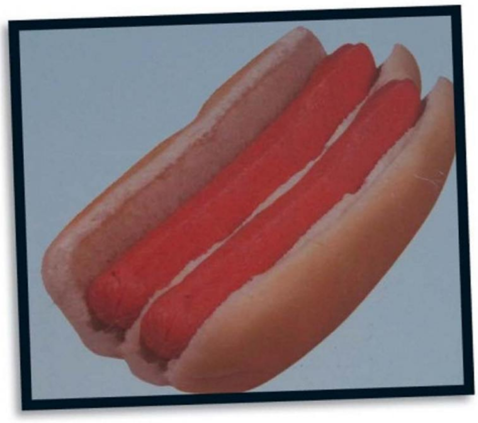
HAVE A COW, MAN!

A man is facing jail for attempting to have hot spurts with a cow and a sheep in a field next to Tottenham Hotspur's training ground. So just how do you seduce a barnyard animal? Exactly how you try and seduce a lady, it seems. Paul Lovell stripped to his socks and shoes and, toting a can of Skol and a Sainsbury's bag containing his clothes and an adult nappy, "used his hands to get the cow's mouth towards his crotch." He then tried to have unconsensual sex with a sheep. Lovell insisted in court he had woken up in the field surrounded by sheep and was trying to chase the animals off. But a jury who had to be told to stop giggling by the judge found him guilty.

I am udderly innocent of this crime!

BRACE YOURSELF!

Heard the one about the schoolkid in sex education classes who insists his dad's got two dicks? "The little one he uses to pee and the big one he uses to brush the babysitter's teeth!" A guy with two penises (username: DoubleDickDude) has been fielding questions on *reddit.com* after he posted a picture of his twin todgers. He sounds as randy as the proverbial canine too: "I am bisexual and in a committed relationship – with a woman and her bisexual boyfriend. Before that I had plenty of sex with girls. "Some say WOW, other's say THAT'S FAKE, some have freaked out, but most are curious…" But it's not all sexy kicks with two pricks: the seam between the two cocks apparently can get chafed, his cocks fall out of the side of his briefs and pissing at a urinal can be fraught. "Am I a Ghostbusters fan? Have I ever crossed the streams? That would be bad…"



GEEKS CORNER! WITH JOEL

Geeks Corner rolls in the new year with some fabulous new music. First up Bong return with a metatextual double whammy in the form of *Stoner Rock*, featuring two long-form journeys into their eponymous genre of choice. This riffastic album continues their modus operandi to pay homage to the weird tales of H. P. Lovecraft and his contemporaries whose stories of archaic cosmic horror make the perfect subject matter for Bong's time-dilating ritualistic hemp-fuelled jams! The new year also sees the welcome return of Tara Jane O'Neil. After a two year hiatus her new album on Kranky, *Where Shine New Lights*, is a joyous collection of acoustic drone ballads that mix soft focus pop hooks with cinematic field recording and deservedly returns O'Neil to her vanguard position at the head of more recent exponents of psychedelic ambience such as Grouper. Lastly but by no means least we preview the latest from drone behemoths Sunn O))) who have teamed up with Norway's Ulver to deliver the astonishing *Terrestrials*. The combination of these two powerhouses working together creates an anthemic brand of doom-laden yet uplifting multi-instrumental composition, culminating in the album's 14 minute finale *Eternal Return* which travels to the line that Godspeed You Black Emperor drew in the sand and then crosses onwards disappearing into the evening redness in the west – essential!

LETTERS

Dear Club DVD,
Thank you so much for printing the photos of Sandra Shine. She seems to have been around forever – certainly the length of my wanking career – but doesn't appear to get any older. I love her new blonde hairdo; it makes her look so classy and even more beautiful, if that was possible. She is so flawless (especially her arse and boobs!) that she is definitely my ideal woman! I especially love her in stockings and suspenders, so the photos are even more perfect! My only gripe is that there weren't more of them!
Archie, Coton

You are more than welcome, Archie! Knowing the Hungarian honey has so many fans out there gives us the perfect excuse to spend hours poring over her pictures – trying to choose the right ones, of course! It may surprise you to learn that she made her first porn film way back in 2001, at the tender age of 20 (We'll let you do the maths!). We reckon she looks great as a blonde, too, but Miss Shine would still look fantastic if she was completely bald!

Dear Club DVD,
What is it with these sex chat line adverts? Not only are there hundreds of the bloody things, but the girls they use are either obviously models (sometimes they're even stupid enough to use pornstars like Carmel Moore, Terri Summers and Jana Cova), really old women or complete munters. And sometimes they even use the same picture for different phonelines! Do they really think I'm dumb enough to believe I'm gonna speak to the bird in the ad? Not on your Nelly, sirs!
Fed Up, via email

It's not often we receive a letter that surprises us here, at PR Towers, so well done, Fed Up, if that's your real name (although we suspect it may not be). We love sex chatlines – where else can you hear a sexy voice talk utter filth to you, without expecting to be wined and dined first?

Dear Club DVD,
Wow! I can't believe your model Nina is British! She looks so perfect I could've sworn she was American. She's fit as fuck! Shame she's got plastic tits, but I guess you can't have everything…
Theo, Swanley

Ah, appearances can be deceptive, Theo! Our Nina is not only British, but eloquent and charming, to boot. We admit we were a tad in awe of the brunette beauty when she visited the office, as she was so stunning, but down-to-earth. She certainly gained a few fans that day!

Dear Club DVD,
Cheers for clearing up something I'd wondered about for years (not all the time!) – who the unbelievably hot bird is in Blink 182's vid for *What's My Age Again*… And now I know, she's Janine Lindemulder! I'm ashamed to admit that I hadn't heard of her, probably because I'm an old-fashioned kind of guy and only get my kicks from British porn mags! I'm amazed to learn that that foxy lady served time, although I've always had a thing for bad girls!
Malik, Kingston Upon Hull

We are always glad to be of service, Malik, and happy you're finding our little publication informative! Now, without meaning to sound rude, that music video was released in 1999 and you were still wondering who Janine was, 15 years later? Have you not heard of Google? Damn, even Ask Jeeves would be able to give you that nugget of info! But, yeah, we'd say she's a bit of a bad girl. Heavily tattooed, a criminal record, an ongoing custody battle with dickhead ex-husband, Jesse James, a history of drugs and 18 years in the porn biz, the award-winning star has more than a little baggage. In case you were wondering, although most of Janine's back-catalogue are lesbian trysts (albeit pretty fucking hardcore ones), when she made her 2004 comeback she started doing blokes on-screen – the first being Vivid's *Maneater*, which is worth checking out. Have fun!

The *Amazingly Educational* Club DVD Wordsearch

WIN A LOAD OF PORN*

TOSSARY

Moose Knuckle – Commonly known as the camel toe, the moose knuckle refers to that oh-so embarrassing affliction suffered by women in leggings or unnecessarily tight jeans, involving their pussy lips trying to eat said clothing item. Never a pretty sight – unless you like that sort of thing, of course.

Aquaphilia – Translated as 'water lover' (aqua is Latin and the philia is from the Greek philein), aquaphilia may well account for some of those really annoying people who spend a ridiculous amount of time in the bathroom. C'mon, you can't say you never suspected they were having a wank! Aquaphiles get off on water, or environments with a lot of water in them (swimming pools, showers, baths, etc), and the porn for such people can include subjects swimming and posing underwater, as well as more sexually explicitly submerged shots. We had a crush on Daryl Hannah in *Splash* back in the day – does that count?

Back Beauty – You're out and about when you spot a gorgeous looking bird, but she has her back to you. You wait until she turns around, but when she does… She has a face like a frickin' horse! Well, that, my friend, is what we call a back beauty. Not a nice experience.

Champagne Bottle – Never let it be said that the Tossary is sexist – and to prove that, here's one just for you laydees. When giving your guy head or a wank, wait until you sense he's about to shoot his wad, then press your thumb gently over his cock-eye, preventing the inevitable. As the name suggests, the effect is similar to shaking a Champagne bottle with your thumb over the open neck – fun for you, not so much for him!

Instagasm – Predominantly used among teenage boys, instagasm is the slang term for shooting your load (very prematurely) in your pants at the mere sight of a woman. One of our staff, that shall rename nameless (you know who you are!), confessed to having an instagasm on the beach, aged 15, upon seeing a total hottie in a bikini. We do believe him, though we reckon it was actually last year.

Lygerastia – It may sound like something you might contract, but lygerastia is actually the correct term for someone who can generally only get turned on in the dark. Hope they're eating lots of carrots…

Feather Spitter – One for either sex, the 'feather spitter' describes having such a good fuck that you had or the urge to (or actually did) bite the pillow. And, if we tell you that most pillows used to be made with feathers, we shouldn't have to do any more explaining!

Wrecking Ball – Thanks to Miley Cyrus and that video, at least we don't have to explain what a wrecking ball actually is (FAO all dummies; it's the big, concrete ball on a chain she's writhing nekkid on). When you're next having a shower with your missus and manage to persuade her to give you a nosh, pull your dick out of her gob, then grab onto the shower curtain rod and, in one fell swoop, proceed to swing your crown jewels into her face, while yelling "WRECKING BALL" at the top of your lungs.

Agenobiosis – Agenobiosis is the definition of a married couple that decide to live together without a sexual relationship, for whatever reason. We don't really get it ourselves, but a lot of these couples reportedly live in otherwise marital bliss. Whatever floats your boat. Or not.

Scorpion Sting – While screwing your better-looking half in missionary, quickly pinch their nipples really hard. And that's it! If you think about it for a while, you'll figure out that the reason for its strange moniker is because your fingers are like the scorpion's pincers and your cock represents the tail. At least, that's the conclusion we came to, over a pint. As you do.

Vapour Lock – AKA being air-tight, this consists of having all your holes (bar nostrils and lug-holes) filled at any one time – by dicks or phallic-shaped objects, such as dildos – so you are 'sealed' like a vapour lock. You see?

APRIL

APRIL

18-year-old April contacted us about being in *Club DVD* almost as soon as it was legally possible for her to do so!

"I wanted to mark my 18th by doing something very grown up," she tells us, "and what could be better than stripping off in my favourite mag, doing my first photos and video and making it onto the top shelf?"

Well, how about your first bunch of horny readers clamouring for more?

She-Hulk XXX: An Axel Braun Parody

The overall feeling is quite apprehensive in a hospital room where Jennifer Walters (Gracie Glam), a prominent defence attorney, lies in stable condition after nearly succumbing to a gunshot wound to her back. Even more puzzling than her near fatal shot is the fact that she received a mysterious blood transfusion whilst unconscious and en route to the hospital. Unsure about what (or whom) will manifest because of the transfusion, Gracie and a fretful investigator are eager to retrace her steps in an attempt to make sense of this ambiguous circumstance and find a way to return her blood to its normal state.

This is the perilous task at hand in director Axel Braun's latest superhero sizzler for Vivid in *She-Hulk XXX: An Axel Braun Parody*. A monumental motion picture by any unit of measure, this erotic adaptation definitely lives up to the hype that preceded it and solidifies former female wrestling sensation, Chyna, as a porn super star. Truly capturing pornographic acclaim by delivering an exciting storyline, exuberant characters, and gobs of green gash, be prepared for a production that packs a powerful PUNCH!

CHYNA AS SHE-HULK
AN AXEL BRAUN PARODY

Starring: Chyna, Gracie Glam, Alexis Ford, Jennifer Dark, Tara Lynn Foxx, Alan Stafford, Mark Wood, Eric Masterson, Ryan Driller, Richie Calhoun, Others.

Directed By: Axel Braun.

Available From: Vivid Super Heroes XXX.

The saga begins with a flashback sequence, from earlier that day, that has Gracie Glam trying to seduce Blake Tower (Mark Wood) into offering her client full immunity. Having an inkling about where this plea bargain may lead, Mark decides to play hardball with the beautiful brunette by teasing, "I don't know. This is a tough sell."

Using her feminine charm to her fullest advantage, Gracie takes his bait. She leans in close and offers Mark the slightest kiss from her ruby red lips that is just enough to tickle his taste buds but not enough to satisfy his growing hunger for her. "I bet I can close the deal," she smiles, sliding down his body like syrup gliding over a stack of piping hot pancakes.

"GRACIE SQUATS ON HER KNEES AND BEGINS GULPING DOWN EVERY INCH OF MARK'S VEINY LUMBER"

HULK SPLASH!

With an all-star cast and a shitload of green paint, it's time for our super-heroine Emma Edwards to join She-Hulk XXX on set. You won't like me when I'm horny...

"I want to look at it through your pants before I suck it," Gracie smirks, rounding her small hands over the large bulge in his trousers. Completely enamored by her gorgeous face and wet lips, Mark looks both smitten and star struck by the cunning cock tease. After some more petting ensues, Gracie squats on her knees and begins gulping down each veiny inch of Mark's lumber. "You're so damn sexy," he continues to charm, securing a lock of her raven hair behind her ear to give Braun's lens an unobstructed view of her steeping his bags in her mouth.

Now orally satiated, Gracie spins herself around in a standing doggie arrangement. Once in place, she stabs the wooden desk with her left stiletto heel and begs, "Fuck me like this." Turned on by her blatant sexuality and ample ass, Mark sinks his cock into her hot pocket, working up a juicy broth with each heated pump. Although hot, their carnal act of consensual sex fails to offer Gracie the clues needed to understand the assault against her and the reasons for her mysterious blood transfusion.

> **"MARK SINKS HIS COCK INTO HER HOT POCKET, WORKING UP A JUICY BROTH WITH EACH HEATED PUMP"**

After the deed is done, Bruce Banner (Richie Calhoun), Gracie's cousin, stops by the office to deliver some dire news to the sexy starlet. With desperation on his face and panic in his voice, he painfully reveals the family secret. He is the Hulk XXX, the monstrous menace that every government agency is trying to seize. "Gamma rays and anger are a bad combination," he contends, as Gracie pledges to help him find a cure for his transformation and to capture the perpetrator that has cursed them both.

As the focus switches back to present time, we see a group of assailants harassing Gracie in her hospital bed. In an effort to escape sudden death, Gracie morphs into She-Hulk (Chyna), flexing her muscles, ripping her hospital gown to shreds and crashing through the bank of windows like a lunatic.

Scouring through the city, She-Hulk lands at the home of Reed Richards (Ryan Driller) and Sue Storm (Alexis Ford), two mad scientists. "Can you help me?" she desperately pleads, as Alexis leads her into her luxurious boudoir. In need of companionship, Chyna unzips the blonde bombshell from her blue jumpsuit and stuffs her green lips with mouthfuls of her

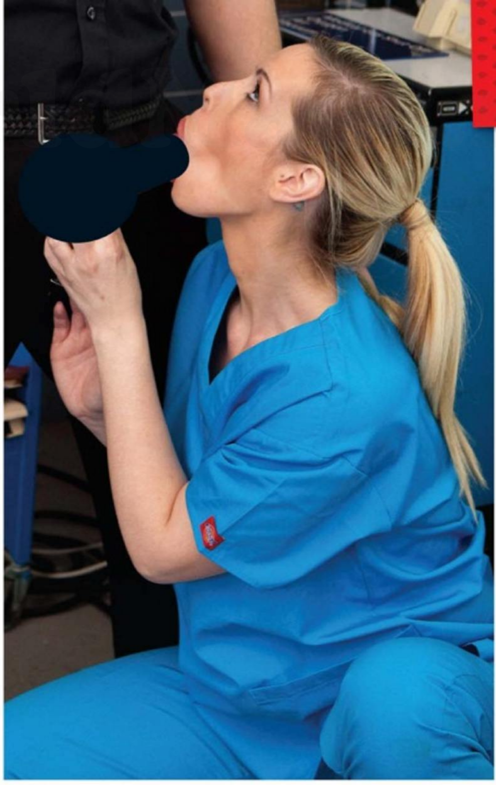
humongous hooters. Large and in charge, the size differential between these two starlets is extreme, as Alexis is repeatedly fondled and tossed around the bed like a minuscule stuffed animal.

"Rub my clit," Alexis eventually moans, as she lands on her back. Before Alexis has even finished voicing her request, Chyna has her labia spread open and is ready to sop up her slit like a biscuit smothered in gravy. Although the lust in her green eyes is evident and their attraction to one another is palpable, she's forced to deliver a more subdued tongue session as her green makeup begins transferring onto Alexis's hairless clam, making it look more like a molding hotdog bun than a pretty pink pussy. Once the problem is solved, the two go at it, locking lips and loins in a sixty-nine arrangement that leaves their pussies dripping wet and us green with envy!

"CHYNA HAS HER SLIT SPREAD OPEN AND IS READY TO SOP UP HER SLIT"

As She-Hulk leaves their home, she instantly morphs back into Gracie Glam and is assaulted with a cloth containing chloroform. This violation leaves her utterly defenceless against the band of hooded assailants. Once again, she has been victimised. When she awakens, she is shackled to a metal bed and is being inspected by two of Madame Hydra's (Jennifer Dark) green drones. "You should probe the brain stem right at the moment of transformation," one drone contends, as the other seems more interested in examining the strength of She-Hulk's metal restraints. After more probing ensues, we later learn of Madame Hydra's goal of creating green super soldiers to do her evil bidding for her. Now, this story is beginning to make more sense.

Coming in to inspect her catch, Jennifer Dark grabs



> “WITH WILD SLURPING SOUNDS, ALAN SNACKS ON HER HOLES FROM CLIT TO ANUS”

one of her preferred drones (Alan Stafford) and hisses, “My disappointment will be your death.” Unwilling to dissatisfy his master, he spreads her out against a wooden table and wedged his face between her green latex jumpsuit. With wild slurping sounds swirling from his lips, Alan snacks on her holes from clit to anus, filling up his face with scads of her succulent juices. “You’re good at that,” she compliments, smashing his head back into place in order to grind her pussy against his chin.

In an effort to maintain her superiority over her worker bee, Jennifer arranges herself on his lap in reverse cowgirl position. Like metal to magnet, his cock dives in deep, exploring the depths of her moist vagina as she continues pounding him like a stubborn nail. Once their interaction reaches a boiling point, Jennifer whips her tits out of her green jumpsuit and allows her heavenly set to shake and shutter across her chest. After a few more positions, including spoon and doggie, Alan frosts his queen with dollops of his homemade honey, leaving her spit shined and satisfied. Sweet!

Meanwhile, Gracie has escaped the clutches of the lab workers and has morphed into She-Hulk. Now, with knowledge of Madame Hydra’s plan, she continues her mission to avenge her perpetrator and help save her cousin’s life. While in route, Chyna runs into Hawkeye (Eric Masterson). “These idiots are trying to make a She-Hulk out of me,” Chyna whimpers, eager to make an alliance with Hawkeye and his band of crime busters that he has dubbed The Avengers XXX.

Agreeing to help each other out, the two decide to do something a bit more conventional than just shaking on it. Raring to suck his rod, Chyna unhinges her jaw and slurps up Eric’s dick as if it were a plate full of fettuccine. Demonstrating stellar cock sucking skills, Chyna proves to be just as proficient at pleasing pole as she is at slamming sluts in the octagon.

“My balls, baby,” Eric mutters, watching Chyna’s puffy cheeks round out like a chipmunk when she gathers a mouthful of his salty nuts.

Allowing Eric to manhandle her for a change, Chyna spreads her legs open and offers him his hole of choice. Starting out with her green gash, Eric splices through her pussy in missionary position, allowing the natural juices from her snatch to seep and shroud the rim of her asshole. The visual is hot!

“Fuck my ass,” Chyna later begs, allowing Eric to slip his superhero stick into her anus in spoon position. Howling like a monkey, Chyna takes his cock like a pro, actually thrusting her body backwards in order to get a more solid connection. This act quickly leads to an amazing standing doggie arrangement that makes Eric’s cock look like a stick of zucchini. After several more minutes, he pulls out and generously provides her with a homemade protein shake that revives her limber body. “Can you not tell Mockingbird about this?” he jokes, watching Chyna lick the cum from her lips.

As a sequel project hangs in the horizon, we’ll have to hold our breath and see what this secret alliance means for Madame Hydra’s military agenda and what wrongs this new band of superhero vigilantes, known as The Avengers XXX, will right next. With so many logs in the fire, we’re anxious to see what will spark up first

ARIA

ARIA

You may have noticed that these great photos of Aria are pretty boob-tastic. That's because, during the photoshoot, Aria told us that whoever made her laugh the hardest would get to stick his cock in between them. She'd squeeze them together every two minutes just to remind us. Unfortunately, we couldn't think of any good jokes. Fortunately, Aria was only joking – she gave out some titwanks anyway...

Did someone pull the plug out?

Hey Jenna! Could you describe your porn persona to those readers who don't know of you?
I'm the girl you watch when the girl next door won't play, or the girl next door who lives online. Take your pick.

What were you like growing up?
Growing up I was the odd ball who never fit in and always marched to the beat of my own drum.

What made you decide to embark on a career in porn?
I was a waitress and I had just moved to a new town, and wanted to change the direction of my life.

Do you enjoy your job?
I love my job… It's like one of my favourite Confucius quotes, "Choose a job you love, and you will never have to work a day in your life."

Were you nervous your first time in front of the camera?
Yes, I was very nervous, but after I finished I was in love – I haven't looked back!

Have you done any interesting shoots lately?
They're all interesting and I always try to make them that way by changing up my style while shooting. My goal is to always pleasure my partners in multiple ways.

Were you sexually active from a young age?
I lost my virginity at 15; I'm not sure if that's young, or the average, but it was with the right person and definitely set me on the path I am currently on.

What have you learned about sex – and yourself – from your adult career so far?
I learned how to squirt recently, so that's been a new experience that I've greatly enjoyed!

What type of scenes do you enjoy the most?
I adore threesomes — they are my all-time favourite. I get to have my cake and eat it too…

And least?
When the girl I am working with is gay for pay.

What's your favourite sexual act?
I LOVE giving head.

What do you think you're best at sexually?
As a very orally fixated girl, I pride myself on my oral.

When did you discover you could deepthroat?
When I first became sexually active, I thought you were supposed to put the whole dick in your mouth. No one bothered correcting me. It was only after I started in porn and watched other girls on set that I realised not everyone can put it all in their mouth.

Is there anything you wouldn't do on film?
Yes, I have this rule… I won't do anything on film that I haven't already tried in my personal life.

Have you ever worked in the UK?
No, but hopefully one day…

Have you worked with any British stars?
Ohh, yes! Danny Mountain and Marcus London.

Have you always been happy with your body?

JENNA-RATION XXX!

Jenna J. Ross is a rising star who is happiest when sinking to her knees. Tamara Noon drills this cock-cramming cutie for the facts...

"I ADORE THREESOMES, THEY'RE MY FAVOURITE. I GET TO HAVE MY CAKE AND EAT IT TOO"

Oh no, definitely not! Growing up is hard for everyone, and we all go through stages. I just used my awkwardness to improve upon myself.

Any particularly sensitive body parts?
The weirdest body part that I've found sexually sensitive is my ear. Put a nipple on it and I'm done.

Do you enjoy masturbating?
Every day! I like to say, "An orgasm a day keeps the bitch at bay."

Favourite sex toy?
My Hitachi Magic Wand!

What is good sex?
Wow, that's a broad question. There are so many different kinds of sex you can have. Even someone I've already had sex with can be different each time.

What gets you hot 'n' bothered?
Teasing… I like you to slowly build me up.

And what turns you off?
Cockiness, rudeness and bad hygiene.

Are you bisexual?
Most definitely!

We read that you don't go in for conventional relationships – what do you mean by this?
That means I don't believe in assigning labels to my relationships. Why do I have to call someone my boyfriend or my girlfriend? All that does is apply rules pre-determined by society. I prefer to experience my relationships raw and as they are.

What do you go for in a guy, or a girl? Are looks important?
Looks always play a role in attraction. For me, it's also about what's inside. You can be drop dead gorgeous and a perfect 10, but your behavior and attitude is what will attract me to you.

Honestly now, does size matter to you?
No, size really doesn't matter; it's the spots you hit inside that matter.

Are you dominant or submissive?
My asshole is submissive, but my pussy and mouth are dominant, so I guess that makes me 1/3 sub to 2/3 dom.

"I DO WATCH PORN AND I LIKE MY STUFF BEST BECAUSE IT'S THE ONLY WAY TO IMPROVE"

Realistic gonzo or slick and glossy feature?
First of all, realistic gonzo is an oxymoron [She's right! – Ed]. So, I guess a glossy feature. I like to play characters and change it up. Give me a little bit of everything.

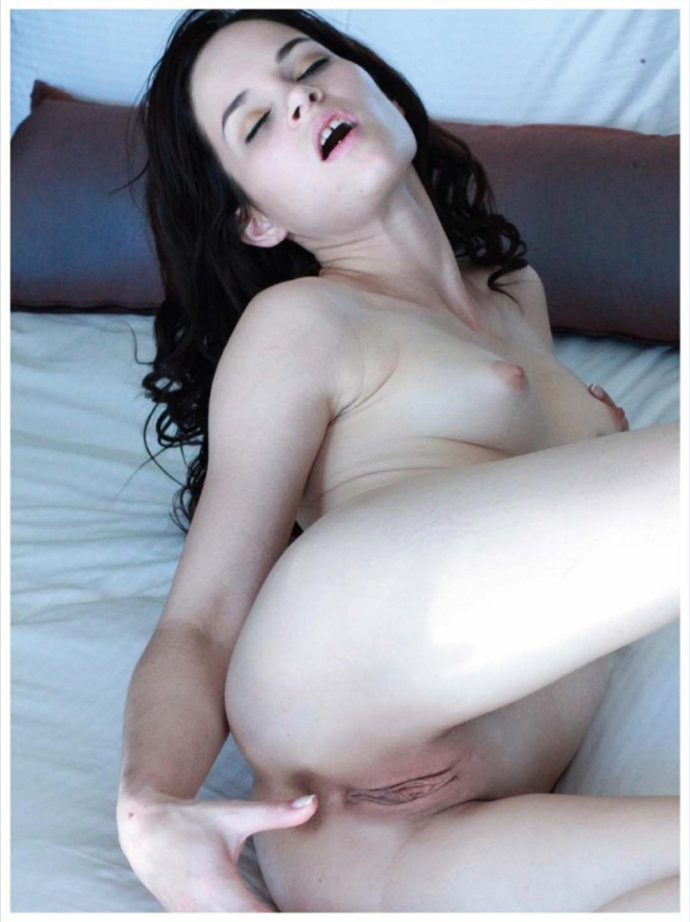
Do you watch porn at home, and do you have a fave flick?
Yes, I do watch porn. And, I like my stuff best because I enjoy reminiscing and it's the only real way to improve upon your performance.

How old were you when you saw your first adult movie?
12, I think... Somewhere around 5th or 6th grade.

Is there anyone you'd like to work with, that you haven't yet?
I can't think of anyone off the top of my head, but I like surprises.

Are you friends with any of the girls outside of work?
I am only friends with a few of the girls outside of work. I'm somewhat picky about the company I keep.

What has been the most enjoyable experience you've had so far in your adult career?
I am happy to say that 99% of my experiences have been positive and that I genuinely enjoy what I do.



Have you got to travel with work much?
No! Not yet, at least. I really hope to soon I love to travel. Did I mention I'm a Sagittarius?

Do you have plans to do mainstream work?
I'd definitely love to! I love broadening my horizons.

Do you enjoy doing signings/expos?
Yes, very much so! I love to meet my fans. Everyone is so sweet and I love it.

What is the weirdest, funniest or craziest thing a fan has done for or to you?
Gotta give this one to the fan who licked me at the 2013 AVN Convention. Yes, he just came up and licked me on the stomach.

Do you have any funny on-set stories you can share with our readers?
This one time I had a glass butt plug in my ass and the director made the mistake of making me laugh… It shot out and landed on his foot!

Do you like to have sex to music?
I like music when I'm deepthroating more than when I'm fucking. I usually pick something with a drop... It's more fun to deepthroat to the song.

Is it easy to make you cum? What's the best way to get you off?
Yes, it's very easy to make me cum. It's not so much a physical thing anyone does, it's more about the connection I make with the person. Either you got it or you don't.

Is it true that you went to a Performing Arts School, and has it helped you in any way in your current career?
It is true that I went to Performing Arts High School. And yes, in may ways it does help me with what I currently do now with things like understanding how cameras work, how light plays off the human body and how to get into a character.

What do you do with yourself, when you're not at work?
I play *The Sims* a lot (love that game!). I also like taking photos, hiking, and creating GIFs.

We hear you were a competitive figure skater – is this true?
That's half true. I was a very skilled figure skater, but I made the decision not to be on a team, because I didn't want to commit my whole life to one sport.

Are you still athletic?
Very athletic. I enjoy all different types of exercise from dancing and gymnastics to hiking and yoga.

What do you consider your proudest moment?
In porn? I have proud moments each time my nose touches a guy's stomach. Yep, back to the BJs…

"I HAVE PROUD MOMENTS EVERY TIME MY NOSE TOUCHES A GUY'S STOMACH IN A BJ!"

What inspires you?
Knowing I have a career that I love, and I'm luckier than most of the population to be able to say that.

Where is your favourite place on earth?
On top of a cliff, by the ocean, at sunset.

Do you have any guilty pleasures?
Everyone does; mine include red wine, sexy heels and knee-high socks.

Do you still have a thing for shoes?
Of course! A girl can never have too many shoes!

We couldn't help but notice you quote Confucius on Twitter, leading us to believe you're well read; what are some of your favourite books?
I adore Harry Potter — I kind of grew up on it. Lately, I've been reading Anna Rice as well as Joanne Fluke, J.D. Robb (Nora Roberts' alter ego), and Linda Barnes.

What do you see on the horizon for Jenna J. Ross?
Lots of fantastic stuff still to come… I'm just getting warmed up!

As a professional on the subject, do you have any sex tips for our readers?
Open communication! Talk to your partner about your needs, wants and desires. Also, make sure you're listening to them.

And any advice for new girls reading this?
Porn isn't for the faint hearted. Own it or it will own you.

Do you have a way of your fans getting in touch?
Of course, you can find me on twitter @JennaJRoss and from there you'll find all my other glorious social media.

And finally, do you have anything you'd like to promote?
I present a radio show with Allison Moore on Saturdays at 4pm to 6pm PST/7pm to 9pm EST. It can be heard on *http://xxxpornstarradio.com/new/*. Just click on 'Listen Live' at the top of the page, and you can listen to us via the Internet. They also replay our shows throughout the week.

And, of course, be on the lookout for new scenes of mine!

SCHOOL OF RACK!

Some things are just so simple that they're perfect – and the combination of big tits and moisture is one such thing. We join Zero Tolerance and some hefty-hootered honeys as they get down to business...

Zero Tolerance
wet tits
Yurizan Beltran

Starring: Yurizan Beltran, Krissy Lynn, Courtney Taylor, Tiffany Tyler, Julia Ann, John Strong, Billy Glide, Mark Wood, Anthony Rosano, Others.

Directed By: Mike Quasar.

Available From: Zero Tolerance.

There are few physical attributes more sought after by both women and men than an incredibly stacked rack. We see the juicy mounds squeezed into tight sweaters and T-shirts on a daily basis. Even the most delectable dames in the world have made sizeable fortunes for themselves due to their massive mammaries. For as breast obsessed as the mainstream world seems to be, that sentiment is doubly so for us in the adult industry. Here, many of the rising stars of today, and the legends of tomorrow, are those beauties blessed with overflowing chests. Understanding our fascination for overinflated fun bags, director Mike Quasar has assembled a fantasy line-up of five boobylicious babes in his latest big boob bonanza for Zero Tolerance with *Wet Tits*, his latest cock tease. With high production values, sexy tease sessions, and plenty of slippery titty play to satiate the most discerning porno palate, this is one production that big boob enthusiasts won't mind sinking their teeth into. Offering us a ringside seat into watching the battle of the bounce, how could we refuse an offer so tempting? With a golden ticket in hand for the slickest show in town, let the bra busting begin!

Ready to get down to business, Yurizan Beltran, a scrumptious Latina, takes her position by a beautiful pool, and is wearing a barely there outfit that accentuates her bubbly body. With all eyes on her, she begins seductively swaying her curvy hips back and forth to an internal rhythm as she squishes her maracas together. Once the crew starts salivating, Yurizan grabs a bottle of ice water and begins pouring the contents across her tits. In a matter of seconds, her nipples jut out like a turkey timer, signaling her arousal. "Are you ready to play?" she purrs, as she walks back into the house, gracing all eyes with an equally impressive ass.

Once inside, John Strong greets her by fastening his mouth around her balloon-shaped boobies and flicking his tongue across her plump nipples. Once he pours warm oil over her impressive flesh, John slips his frank between her chest buns for a fantastic titty-fucking session that leaves his cock aglow. "My tits want to swallow your big, fucking cock," she smiles, squeezing her mounds around his set until his boner beefs up and his

meatballs glisten.

After some impressive oral is administered to each, John arranges her on her hands and knees across his bed. With a deep arch cresting her lower back and her fantastic fuck holes in full bloom, Yurizan is literal perfection. "Put that beautiful ass right here," John instructs, heaving her body to the edge of the bed. Once in perfect fucking formation, he stuffs her full of prick in doggie position, causing her tits to bang against her chin. Screaming her delight, Yurizan eventually silences herself by sinking her teeth into the red sheets before another pounding is handed out. This is an incredible way to begin the show!

Next, with the warm California sun still beating overhead, we find Krissy Lynn, a blonde bombshell decked out in a red bikini, dancing in the swallow end of the pool. Possessing one of the most sought-after bodies in porn, it's impossible to peel your eyes away from her perfect frame the moment she starts wetting herself. Soon, her pixie blonde hair is wet on the tips and her humongous hooters are drenched. Now ready for a heartier sensation, Krissy decides that it's feeding time.

Anxious to see who's on her lunch menu for today, Krissy is pleased to find Billy Glide lounging on a purple sofa with his shirt off. Falling into his lap, she instantly begins slapping her fat titties around his face. "I'm so fucking hard. I can't wait to get these shorts off," Billy boasts, yanking his camouflage shorts down his legs, exposing his soda can shaped cock to the salivating starlet.

With her beautiful blue eyes bulging out of her head, Krissy licks her lips in anticipation for his submarine sandwich. Nestling herself between his legs, Krissy swathes her mouth around his bulbous cockhead and begins to suck. Kneading his hands into the back of her golden hair, Billy ensures Krissy ingests every inch possible. Happy for the help, Krissy responds to this gesture by spinning her small hands around his shaft and excavating his vein trail with her pink tongue.

"KRISSY SPINS HER HANDS AROUND HIS SHAFT AND FOLLOWS HIS VEINS WITH HER TONGUE"

"I want you to sit on it," Billy later barks, hoisting the curvaceous blonde on his lap in reverse cowgirl position. Springing to life, Krissy bounces atop his boner like a kangaroo, squishing her tits together as she bucks and swivels her hips. After a few minutes have passed, Krissy's chest begins to redden as she calls out, "Please don't stop. I'm about to pop!" Now pummeling her pussy hard from underneath, Billy guarantees his beauty receives a supersized finale.

As the day continues progressing, Mike Quasar and crew arrange their lights and equipment outside. Soon, they notice that Courtney Taylor, a bottle blonde with store-bought titties that stand at attention, is already wetting herself in the antique fountain. Provoked by her playfulness, Quasar determines that the next scene of the day will commence there. A few moments later, after a sultry tease session is delivered, the camera follows Courtney into a fancy living room.

Ready to greet her with his cock in one hand and a bottle of tropical oil in the other, Mark Wood is ready for his call of boobie. As soon as the two cock stars collide, he attentively pours the warm oil over her coconuts, massaging her mounds with his expert hands. Watching her big tits being manipulated, Courtney is noticeably turned on, as evidenced by a snail trail of girly goo that begins seeping down her legs. But, no matter how hungry Courtney's pussy may be, Mark has a few other ideas to work out with the bursting blonde first.

"How about you squish those titties around me?" he continues, as he arranges Courtney on her back on the white sofa. Squatting above her, Mark shoves his cock between her titties and begins masturbating his meat with her ample flesh. Trying to make herself more useful to him, Courtney opens her mouth and accepts his dick as it slides up her cleavage. Now turned on by her mouth, Mark releases his pecker from her pom-poms and continues by stabbing her throat. With impeccable oral skills, Courtney is definitely up for the challenge.

From here, Mark slips his stick into Courtney's slippery cunt in spoon position. Hoisting her long legs open to offer Mark a snug-tight fit, Courtney begins screaming like a banshee the moment Mark's cock begins tapping on her G-Spot. Now familiar with her exact coordinates, Mark continues hammering her sweet spot with expert precision until her honey hole boils over. As the room echoes with the symphony of her carnal cries, you may need to turn your volume down. This bitch is a screamer!

Tiffany Tyler, a slender brunette with a newly enhanced rack, definitely has a tough act to follow. Up for the challenge, she begins her tease session upstairs, in front of a bank of sunny windows. Also swaying back and forth, Tiffany ups the ante by pouring a bottle of cold water over her white T-shirt. With the paper-thin material hugging her body like a wet paper towel, it only takes a few droplets of moisture before Tiffany's tiny nipples are practically tearing a hole through the fabric. Continuing to bounce and play, she tugs her bikini bottoms open and exposes a smallish ass and a freshly shaven slit.

With an insatiable appetite for cock, Tiffany goes in search of fresh meat to maul. What she finds is Anthony Rosano, lounging on a gray sofa, also hungry for her. Without a moment to lose, Tiffany takes a seat on the sofa and yanks her slender stems open like a wishbone. Slipping right into action, Anthony takes his place between her legs and begins dining on her yummy pussy like a fat kid at an all-you-can-eat buffet. "You chew on that clit so fucking good," she chugs, interlacing her arms around her legs until she's contorted into a human pretzel. "Let me taste more of you," he boasts, biting his way around her inner thighs to her utter delight.

Ready to kick things up a notch, Anthony folds the pint-sized princess in half and begins power plugging her from behind. With one hand on her hip and the other hand pulling her hair, Anthony is a bit more aggressive with her than usual. Lit up with passion, Tiffany can't seem to get enough of his rough n' tumble style and begins hollering out, "Slam me with your fucking cock."

After more intricate positions are practiced, Tiffany disperses her cunt cream over his balls in cowgirl position. In time, it's like watching a vat of southern gravy cover a pair of freshly baked biscuits. He follows her spirited display with a soupy finale of his own that leaves her tits smothered and covered!

"WE'RE EXCITED TO REPORT THAT JULIA ANN GETS HER HOOTERS HANDLED AND HER HOT POCKED STUFFED"

As that scene concludes, we're excited to report that Julia Ann gets her hooters handled and her hot pocket stuffed in a steamy scenario that is not to be missed. Ending on an extremely high note, *Wet Tits* delivers a powerhouse of passionate possibilities that is made stronger by a cast of unbelievably stacked starlets. Delicious from end to end, this is one big boob bonanza you won't want to miss.

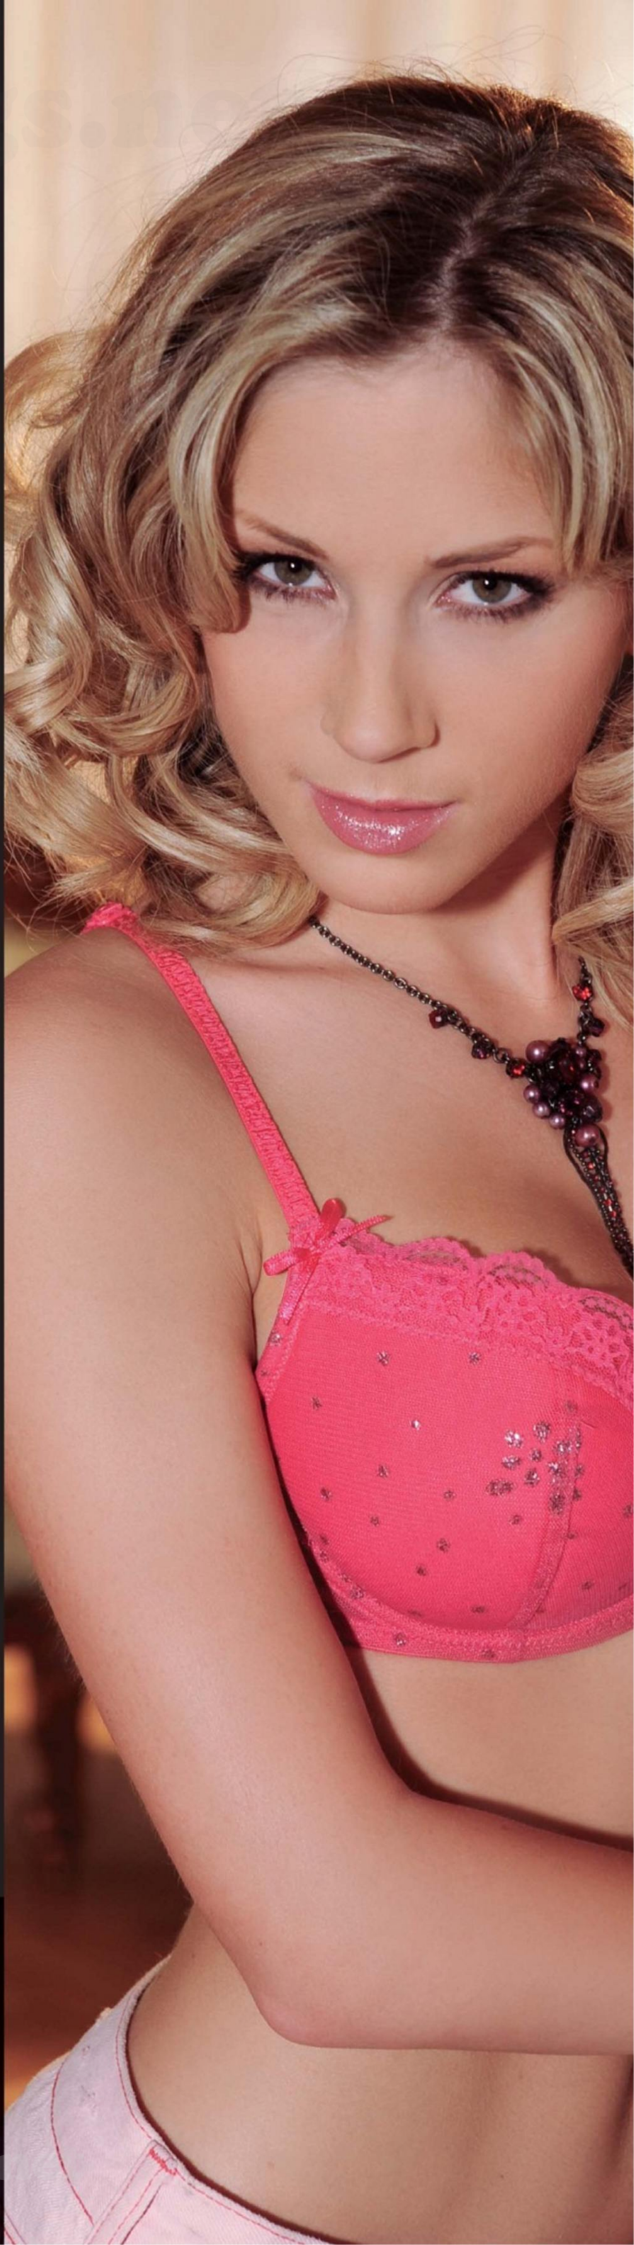
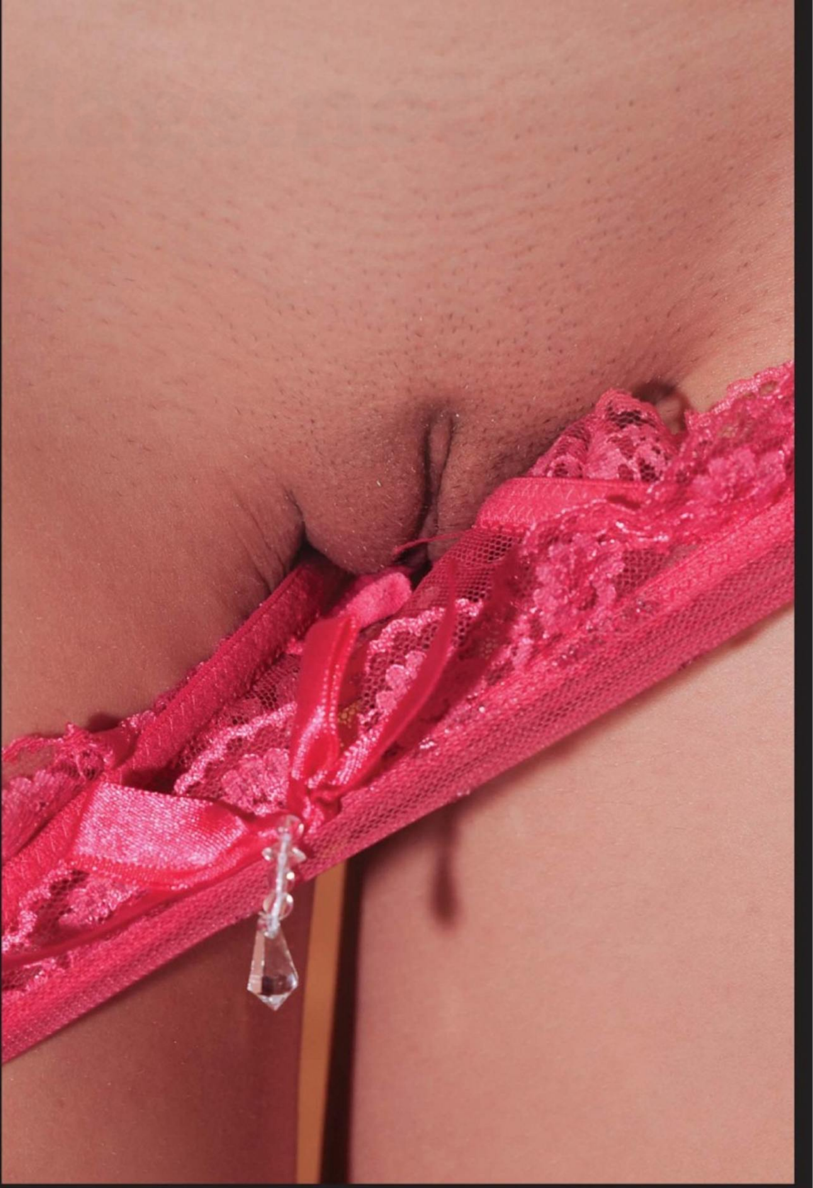
JULIA



World



If there's a better body out there in porn, we'd like to know where it is. Seriously, please tell us. Because after serious deliberation we have decided that Julia Crown is the owner of the peachiest bum in existence. And as for that pussy, well, 'tidy' is underselling it. That's the kind of neat cunt that makes it easy to navigate with a tongue. Navigating her fanny is one thing, but we'd definitely get lost in that bum of hers...

JULIA

CURRIE ON...

AGE CONCERN!

Our resident porn queen and sexpert Karina Currie explores what time's arrow means for a career in the sex biz...

Recently it has come to my attention that porn has an age division, probably because I'm in my 15th year in the porn industry and I'm now classed as a MILF! Regardless of the fact I actually don't have any children!

Being a model in my 30's has, in some instances, gone in my favour, but in others has gone against me, so I decided to do a bit of market research and find out what you, the consumer, really want to see when it comes to porn performers and their respective ages.

I asked people if they thought younger models were as daring and ultimately as comfortable with their performances as their older colleagues. And did this transpire in the end result. Many girls enter the industry, like myself, in their 20's and those who love the industry remain for the long haul. There are also those who start in their late 20's, early 30's and even older but does this give them an advantage or not? The response I got was reassuring.

With most guys seeming to prefer the more seasoned women when it came to the porn they watched, a few did say that it's more about whether the performer was hot and really into the fucking, regardless of their age. Good answers, chaps!

I love the fact that some of the most successful and beautiful porn stars in the UK are of MILF status like myself. Tanya Tate, for instance, looks amazing and is an incredible performer. Angel Long, who's been at it as long as I have, is still going strong. Michelle Thorne, who again matches my career in longevity, has built a whole business on building up to more daring levels of fuck fun. There's the sexy Faye Rampton, who has been a dirty bitch since day dot and has only got better with age. Dionne Mendez, a glamour model for most of her early career but now fucking like a pro and loving it. These are just a handful of the women I admire and they all look smoking hot, in some cases hotter then their younger co-stars!

It also seems that young men have the confidence to admit to liking their women older and more experienced, probably so we can train them sexually and have no fear of learning new things, whereas older guys like a younger model! It' probably so they can look like a sexual demon to the untrained eye, if you know where I'm coming from!

"SOME OF THE MOST SUCCESSFUL AND BEAUTIFUL PORN STARS ARE OF MILF STATUS"

Another thing I keep hearing is that us older lot are more professional and reliable than the youngsters. Maybe it's just an affliction of youth, but I know personally that reliability and strong work ethics are formed in our late teens and early twenties so if a performer has experienced a normal 9 to 5 job before coming to the industry, then chances are she'll retain the professional attitude gained from this. Also, I find that when you're young and fresh in the porn industry then there are just so many parties to go to and people to meet that getting up and looking fresh for a shoot the next day is nigh on impossible!

Us seasoned pro's have been there and done that and you never know when your last shoot will be, so in general it's best to turn up. I am joking there, by the way!

I do find, though, that it's a bit of a conundrum how a majority of producers and photographers want you to look like your age if you are older and below your age if you are younger! For example, I started my career just a week after my 20th birthday and the reason I got into the industry was a simple one. I was and still am very highly sexed, so instead of being a secret slut, I wanted the world to know how horny I was, yet the people who booked me wanted me because I looked younger than my actual age and so I hit the teen market.

Highly sexed and horny yes, but still not as adventurous then as I am now, it has to be said. My early years were more about exploration on my terms as it should be for everyone and porn gave me the platform to experiment in a safe and accepting environment. So, totally acceptable for a young 20-something girl to do.

As I've gotten older, I've been really quite lucky to not look like a typical woman in her 30's and most men and women I meet ask for my secret fountain of youth! Considering my younger years of parties, late nights and over-indulging, my only answer can be that eating healthy foods and staying out of the sun, due to sleeping the day away most likely, has gone a long way towards me retaining my fresh face but unfortunately now I don't fit into either the young girl or older woman boxes! Too old to look like a teen and too young looking to fit the stereotypical MILF market!

"INSTEAD OF BEING A SECRET SLUT I WANTED THE WORLD TO KNOW HOW HORNY I WAS"

The industry is driven by consumer demand and I leave it in your hands and buying power to empower us older babes, as well as support the young and naturally horny newbies too, and if you have an opinion, then write in and let me know or send me a tweet telling me all about it. SAM

SAM

We almost didn't get these photos of sexy Sam because the photographer is an Aussie. We were still smarting from the Ashes humiliation (not to mention the one day and T20 series debacles) and weren't in the mood to do our upside down friends a favour. But then we realised we'd just be punishing our readers and ourselves by denying us all the chance to see Sam's naked wondrousness. And as we're officially not mentioning the cricket, there will be no jokes about sticky wickets...

ALEXA

Alexa – if she'll forgive us – looks like the kind of sexy double agent that will take you to bed, fuck your brains out, then handcuff you to the headboard while she steals a microfiche in order to give the Russkies a head start in the new cold war.

It actually turns out she's not from Russia, isn't a spy, and doesn't go in for espionage at all. It also turns out that she quite likes the idea about the bed, the handcuffs and the fucking. So that's all right then...

Got a filthy tale or two to tell? Get it on an e-mail to clubdvd@paulraymond.com and you could earn yourself a sweet £100! And you can send us the snaps too!

You call it a mobile phone, I call it a sex toy. Not that I stick it down my knickers set to vibrate – well, not yet, anyway! – more that I use it to get myself and the men in my life horny.

My "official" boyfriend, Gavin, knew from the start we aren't exclusive and while he acts like he minds, I think he'd be long gone if he really objected. Instead, he acts pissed off – not mean, just moody – and I'll let him do all sorts to make him "forgive" me for being a bad girl. Recently, we went through a good phase – enough great nights out and amazing shagging to make me contemplate being faithful. Then I got flirting with a customer at the shop where I work. I gave him my number and we picked it up by phone.

It soon got cheeky – him telling me how he'd like to bend me over the counter and give me a seeing to. I said I'd call security – he said I could suck the guard's cock, while he got customers to spank my arse.

"And pull my tits out of my top and play with them too?" I asked. He said maybe. That I should send him a picture to see if they were worth it.

From "cheeky" to "bloody cheek", but I bit. I told him I would if he sent me a cock-shot first. About a minute later my phone beeped and there was a photo of a nice, meaty dick sticking out of a patch of trimmed dark pubes. By the look of it he'd already been hard before I'd asked him to send it.

I sent him a tit-pic, nipples all stiff and perky. He said he'd have to go and toss off over them properly and that was that. I was hoping he'd send me a cum-shot, but he didn't, so I just got myself off with a quick fiddle. This got my pussy nice and tight and puffed-up for Gavin, so I sent him a picture of my moist folds, to show him what he'd be fucking later on.

I usually delete any dirty pictures – or file the best ones somewhere secret – but I got careless. Gavin asked me could he see the pussy-shot again as he'd accidentally deleted it from his phone – and he saw the cock picture and asked who the fuck it was.

I was so pissed off with myself – this time I really hadn't wanted him to catch me out. He said, "I knew it was too good to be true – you behaving yourself. But that's not gonna happen unless I chain you to the bed, is it?"

This stopped me in my tracks. Me dressing up and a bit of spanking was as far as we'd ever got with the pervy stuff. The thought of being tied up and helpless had always freaked me out but I was really sorry for what I'd done. I asked him would he dump me if I said no – "Of course not" – so said OK, I was up for it.

"And you'll let me do anything I like to you?" he asked.

"Yes," I said.

With no actual chains, we improvised with scarves and a pair of fluffy handcuffs. He cuffed my wrists to the headboard, then instead of spread-eagling me, he tied my ankles to the headboard too, legs up, totally exposed arse and pussy. At first it was like he didn't know what to do with me – he just stood there staring at my arse and playing with his cock. That would actually have been a good punishment – see to himself and leave me hanging. But he rummaged in the drawer where I kept the cuffs, and picked out a big dick-shaped dildo, a little finger-sized vibe with different attachments, plus a big bottle of lube.

He slathered that on me first, fingering it over my folds. He'd pause to give his shaft a rub, then he squirted it directly on his cock then used that to rub the goo all over my slit and arse crack. Of course, he focused on my holes and it drove me mad – I was almost screaming for him to slide into my pussy.

> **"I SOON HAD THE DILDO JAMMED TO THE HILT IN MY CUNT. THEN HE FITTED A FAT SLEEVE TO THE SMALL VIBRATOR AND TOUCHED IT TO MY ARSE"**

"Don't fucking give me orders," he said. I moaned that I wasn't bossing, I was begging, but my words ended in a "Mmmfff!" as he jammed my knickers into my mouth to gag me. "Click your fingers if you want me to stop," he said.

I really, seriously wanted him to fuck me but he had other ideas. I soon had the dildo jammed to the hilt in my cunt, then he fitted a fat little sleeve to the small vibrator and touched it up to my arse. I got the giggles, spluttering through my knicker-gag, and wriggled and tensed so my arsehole seized up.

Gavin held me steady, pinning me with one arm while his free hand gave my bum two sharp spanks. Then he held me steady, using his fingertips to warm up

my arsehole before slipping the vibe up it. Although it wasn't a butt-plug, it had a little ridge so it wouldn't get lost, and that also meant it sat inside me nicely with the thickest part of it stretching my pucker. When he turned on the vibrator, I squirmed as much as the bondage would let me.

I thought he'd pump and stir the dildo for a while, but instead he got my favourite vibrator – just a simple cheap plastic one. He switched it on and played it against my clit, and I was really straining against the scarves.

He got a belt from my wardrobe and tried to use it to bind the vibe in place, but it kept slipping. Instead, he gave me an evil look and said, "Pain before pleasure." I stared at him, wide-eyed, as he raised the belt, then twitched as he brought it down on my left arse cheek. It stung, and so did the next stroke on my right one. Gavin got into it, making sure the belt hit a different spot each time. Once, it caught the edge of my outer pussy lip and I squealed, but he corrected himself on the next smack.

It hurt a bit at first, but then this lovely warm glow spread through my cheeks, numbing the pain, but also the sensation. I moaned a request and Gavin stopped, yanking the gag out, scared he'd hurt me. I only had one word to say to him. "Harder."

He grinned and, leaving me ungagged, slapped the belt down with a bit more force. "Ten more," he said, whacking away, each smack making me wince so I squeezed the toys in my holes. That got me even hornier, so when he finally reached ten – plus "two for luck" – I gazed at the vibrator on the bed, hoping he'd take the hint.

Lucky for me he did, and I doubt it took a minute of him grinding it against my clit to have me cumming hard, screaming almost to the point of sobbing, and bucking in my bonds.

He pulled the dildo out of me with a slurping pop, and squirted another glob of lube inside it – even though I was already gushing wet. He went to remove my arse-vibe, but I told him to leave it there. "Bossy…" he warned me, but just twizzled it with his finger-tip and left it inside.

I took in a deep breath and, as I let it out, his prick slid home, right down to the nuts in my cunt. I've never felt so happy, so grateful to have him inside me. Because of my position he was crouched over me, fucking slightly down, his balls bouncing against the arse-toy and sending little shocks through it, and other bits of him touching against my cheeks, making the heat in them flare up.

"I FELT THE ITCHINGS OF ANOTHER ORGASM BUT GAVIN BEAT ME TO IT, FLOODING MY SNATCH WITH WARM SPUNK BEFORE I SPASMED"

I felt the itchings of another orgasm but Gavin beat me to it, flooding my snatch with warm spunk just seconds before I snapped tight then spasmed around him. As it started to die away, he fingered my clit, setting me off again. He reached down to the bed beside him, and grabbed what I realised was my cameraphone. He got one picture of my cunt with his dick buried deep inside it – then he got another just after he'd pulled out, with his glistening wet dick just outside my stretched, cream-filled hole. Then he reached forward, untied my ankles and snapped off one of my well-fucked pussy that also showed the little tattoo just above my bikini line, so I couldn't deny it was me.

He sent copies to his own phone but said that if I ever delete the ones on mine, we're finished. He also says if he catches me sexting anyone but him, he's sending the pictures out to everyone in my phone directory. So I'll be a good girl – there's nothing horny about the idea of my cheated-on boyfriend sharing my dirty, shameful sex photos… right?

MAC PRO

Apple have been acting like the biggest tease ever since they unveiled the unconventional look of their latest desktop computer and now it's out there, people can not only feel the girth of its circular aluminium body, but also whether the hype has been justified. As ever with Apple the build is nothing but quality and with a clean solitary power button and illuminated connection port, you'll spend the first few hours no doubt just admiring it. Beyond this it's not only immensely powerful and quick, but also virtually silent, giving you that laptop feel on a machine of much greater ability. Updates to Final Cut and the now familiar OS Mavericks system means those who work in editing and design will have no problems with any sense of drag when pushing the machine to the limit. However, in reality that's who it's designed for and if you're just a home user there's little to justify the expense.

Pros: Stunning build. Powerful.
Cons: Expensive. No physical media drives.

AMAZON KINDLE FIRE HDX 8.9

The days of Kindle dominance even just for the most basic of pursuits like reading, has long been under challenge from the cheaper tablets, as people who once said they couldn't look at a computer screen all day have quickly got over this pretension once their cheap tablet has been purchased. Therefore Amazon are clearly trying to pitch their new Kindle Fire in the thin sliver of opportunity that exists between the smaller tablets and the originals like the iPad. However, whilst the 'in-between' size of it may feel right, the lack of premium feel to the rubbery case may not endear it to people used to the Apple quality, for example. The interface itself is actually built on Android, however with its bespoke top layer it doesn't feel that way, and this is also another slight flaw with its intuition and cohesion, plus you get a load of text labels along the top that are effectively click through adverts. This one's definitely a safe option for the Kindle loyalists.

Pros: Tablet size. Battery life.
Cons: Clunky interface. Limited app store.

NIKON DF

We've said it before, but in this world of all instant image everything, it's getting harder to distinguish yourself as a 'proper' photographer and therefore sometimes the aesthetic is the only way these days. Nikon are clearly aware of this, even making this very retro model in a silver option, and if you're obsessed with a certain era then the plethora of dials and buttons will appeal. However, if you're basically just a full on poser you can bypass a lot of the manual functions and still just basically point and shoot, albeit with a very expensive old-school looking camera. Thankfully the picture quality is as good as you'd expect from a camera at the top-end, although the fact that there is no video option at all means that if you have even the slightest modernist tendencies you need to steer clear. It does look nice though, did we mention that?

Pros: Full frame FX Sensor. Manual SLR.
Cons: Almost prohibitively expensive.

SONY SMARTBAND

£TBC

This latest Sony product is the kind that will have your grandma saying "Eeeh… whatever next". More than just another fitness gadget, the Smartband will also take note of how long you've slept, what pictures you've taken, who you've interacted with and replay your life back to you giving you suggestions on how to improve it. So in short it's like a sophisticated version of the telling off you get from your girlfriend the morning after you've come in late, hammered, with a kebab. So if you want someone to review your super exciting life, the tiny accelerometer gets to work and the LED lights and vibrate function alert you to any notifications from your phone. Obviously the amount of data it's collecting raises instant issues about privacy… but no one cares about that in 2014, right? Definitely one for this new generation, however, and if you're from the last you may be best sticking to good old family advice.

Pros: Easy to use.
Cons: A little bit intrusive.

THEQ CAMERA

If ever there's going to be a camera that's pure hipster-bait then this is it. Pretty much designed like that traditional East London camera of choice the Lomo, but in a choice of nine garish colours, theQ tries to blend this look with all the usability of a smartphone. Therefore it's 3G ready for instant uploads and even has a wide angle lens for all those 'epic club shots' you desperately need to capture whilst having 'the best night out ever'. The design is reassuringly robust too with a nice rubber finish for that extra grip when drunk, not to mention the fact that it's waterproof to 1m, or at least if dropped in a pint of some American pale ale that's been specially micro-brewed on the premises. The ring flash is pretty eye-catching too, but the lack of zoom and HD video pretty much reduces it to a decent snapshot or selfie camera, which is basically what all smartphones already contain.

Pros: Instant sharing. Waterproof.
Cons: Image preview is tricky. Poor image quality.

SHARE MY DIRTY FANTASY

(Private)

Directed by Gazzman and starring Anissa Kate, Sharon Lee, Henessy and a bunch of familiar looking studs, this is a Harmony movie in all but name. And as such it's full of well-shot, utterly filthy action, with the emphasis firmly on anal sex. Amy Wild treats herself to a couple of cocks, the gorgeous Irina Bruni is poled by veteran cocksman Tony De Sergio, covergirls Anissa and Jasmine share Ryan Ryder's rod, Sharon Lee puts up with the theatrical scowling of Marco Banderas and Henessy gets bummed, as she does. Good solid stuff.

We've lost count of the amount of Young Harlots films that Harmony have pumped out. And we've also lost count of the number of ham shanks we've had over them. At least 1000, easy. We've managed seven over this one, and we're still on first watch. Lots of hot girls, some rude action, Sam Bentley taking it in the wrong 'un? So far, so Harmony. But what's this? Lexi Lowe putting her lovely charms to work on a cock? That doesn't happen often enough if you ask us.

QUICKSAND

(Digital Playground)

Shall we bother recapping the plot of this latest from Digital Playground? Can't we just say: 'It's like every other plot they've other done. Some pretty girls, something to do with infidelity, the cast doing their best but not actually managing to pull off anything remotely like acting, but at least you get to see Chanel Preston sucking cock, getting fucked and then absorbing some spunk, so it's actually pretty watchable"? Can't we just say that?

IT'S NOT NICE TO MESS WITH TEACHER...
CRIME OF PASSION

Wicked keep things interesting here by doing what they do best – a big feature starring contract stalwart Stormy Daniels – and mixing it up by introducing the sexual firepower of a couple of girls better known for gonzo action. The cute Casey Calvert is often seen with big cocks hanging out the back of her arse, blowbanging or in hard fetish scenes, and the same goes for MILF Veronica Avluv. They tone it down compared to their harder scenes, but still inject some much needed urgency into this couples-fest.

WEB NEWS

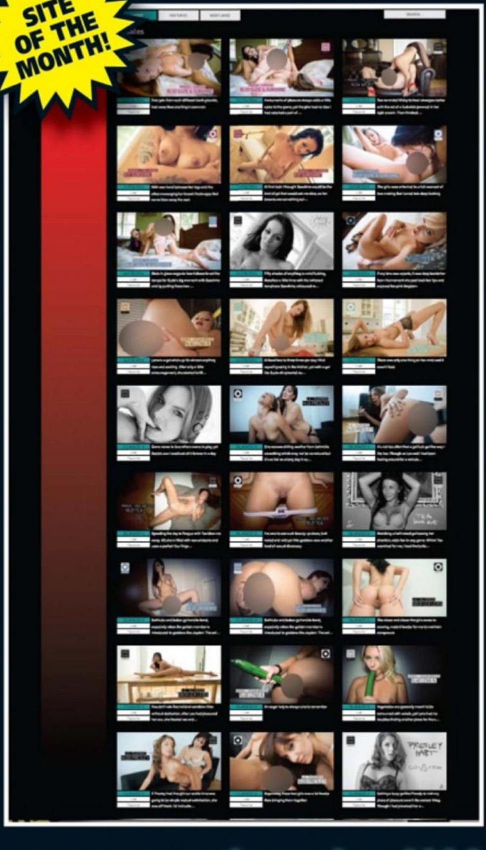
Trawling the net for filth...

The hottest XXX from the world wide web

WWW.NUTABU.COM

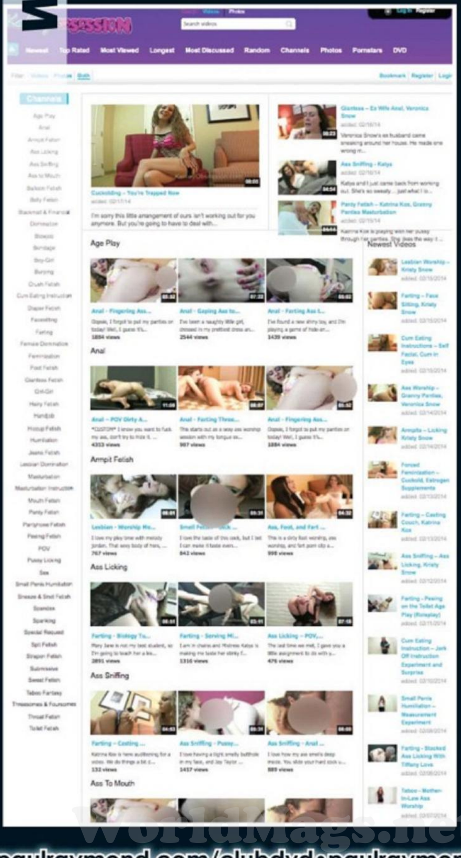
Nutabu doesn't look like your average porn site. It's not garish, it's well-designed. It's a little bit edgy, not a million miles from an art site. But, for all that, this largely POV stuff is sexy and delivers eroticism in spades. In Budapest, Prague, LA and elsewhere, the guy behind the site shoots 1080p videos that take in lesbian action, lots of solo stuff, a bit of squirting, a tiny smattering of boy/girl. There's black and white, there's good lighting – it's a site that is far from the lowest common denominator. And despite being only a few months old, there's already a stack of great material here. Sweet.

SITE OF THE MONTH!



WWW.KELSEYOBSESSION.NET

By way of contrast, here's a site that looks like it was designed by someone on their first day at 'How to design a website in 1999' course. Not that we hate the site – it's full of unique, quirky sexual material, amateur material that varies from girls masturbating to anal sex, bondage to balloon fetish. In fact, it's particularly strong on fetish stuff, with stuff from armpit sniffing to small penis humiliation and face-sitting. The layout is a mess, however, the payment terms seem to be a bit weird and unclear, and there aren't really any downloadable pictures. But if you're into hiccupping, knock yourself out…



WWW.TEENFIDELITY.COM

Kelly Madison and her lucky bloke have turned their PornFidelity site into a real independent success. Ryan Madison gets to fuck porn stars, his big-titted missus often joining in. He's a good cocksman – with an ability to cum several times per scene – we have trouble cumming several times the same month. So this new site? It does what it says on the tin. It's the same formula, only with porn girls who are aged 18-21. The content stays the same, it's just marketed differently, which is clever. We could be all jealous of Ryan's gilded life but, fuck it, fair play to the guy. We'd all do the same...

Tickling your funny boner...

A woman is holding a fancy dress party and is mingling with her guests when she spots a male friend who is standing there completely naked, except for a glass jam jar over his genitals. Embarrassed and curious, she asks him what he's come as. He tells her, confidently, "I'm a fireman; break the glass, pull the knob and I'll come as fast as I can!"

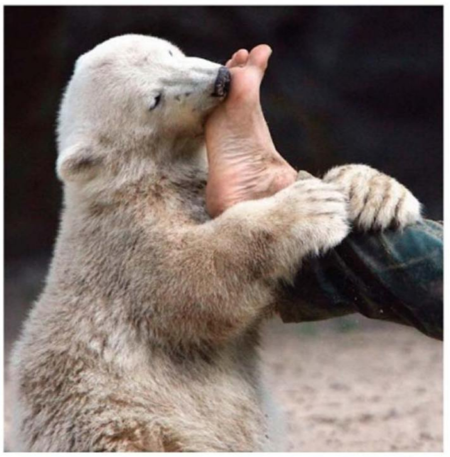
How can you tell if an Essex girl has been using your computer? There's rat poison next to the mouse.

A postman was retiring after 45 years of serving the local community and set out for his last lot of rounds. At his first drop, the family came out to congratulate him and thank him for his dedication and hard work with a big box of chocolates. Delighted, the postie went onto the second house, where he was presented with a nice bottle of wine and a card, and the third where he received an expensive box of cigars. Touched by this kindness he continued on with his deliveries, ringing the doorbell of the fourth residence. When the door opened, the postman was astounded to see a beautiful young woman in a flimsy negligee greet him. Taking his hand, she led him upstairs to her bedroom and made wild, passionate love to him, blowing his mind. When they had finished, she took him downstairs and cooked him a lovely full breakfast with pancakes and freshly squeezed juice. It wasn't until he had finished eating that the postie noticed a £5 note tucked under his plate. "That was fantastic, thank you, but what's the five pounds for?" he asked. The woman smiled and replied, "Well, I wanted to do something special for your last day so I asked my husband's advice and he said, 'fuck him, give him a fiver' so I did. But cooking you breakfast was all my idea."

What's invisible and smells of carrots? A rabbit fart.

What do a man and a clapped-out car have in common? They both have the ability to misfire.

An older couple are sitting relaxing, watching television in their lounge with their daughter and her boyfriend. The husband is eating peanuts and, showing off, begins tossing them up in the air and catching them in his mouth. This is going well until his daughter speaks to him mid-toss, causing him to lose concentration and he ends up with a nut stuck in his ear. When he realises he can't get it out he begins to really panic, but then his daughter's boyfriend – a medical student – leaps up and takes control of the situation. Sticking two fingers up the man's nostrils, he tells him to blow hard, and to everyone's surprise, the offending peanut dislodges itself and flies across the room! In bed later that night, the couple are discussing the day's dramatic events. The wife says of her daughter's boyfriend, "He was amazing, he didn't even break a sweat! He obviously knows his stuff; I wonder if he'll become a doctor or a surgeon?" Her husband wrinkles his nose and replies, "Well, by the smell of his fingers, I'd say he's likely to become our son-in-law."



An unemployed blonde is determined to prove to her boyfriend that she's not useless, and decides to do some DIY to their flat. She settles on repainting their bedroom and lounge so, when he leaves for work one day, she makes a start. Grafting tirelessly all day, by the time her partner is due home she has pretty much finished. Upon walking into the newly painted living room, her boyfriend panics to find her lying in the middle of the floor in a pool of sweat. Rushing to her side, he notices she's wearing a leather jacket, with a parka on over the top. After making sure she's all right, he asks her what she was doing. The girl shrugs and replies, "I was redecorating, wasn't I? I read the instructions on the paint pot and it said, 'for best results put on two coats', so I did."

Stereotypical Porn Scenarios

Kinky Stereotype: Secretaries

What? There's something so naughty about a prim, subservient secretary beavering away at her desk before removing her glasses and letting her hair down, morphing into a sexual goddess, her (usually) ample cleavage spilling out of her crisp shirt, her skirt riding further up as she bends to retrieve a dropped pen, revealing fully-fashioned stockings and more than a hint of flesh. Ahem.

Porn Example: *Office Perverts* (series)

Studio: Reality Junkies

Highlights: With everyone from Lexi Belle and Chanel Preston to Kagney Linn Karter and Tori Black starring in these work-based pornos, you'd be hard pressed to find a more star-packed series. Despite being confined to an office space, every scene has a new storyline and feels fresh, which may be why the series is still so popular eight DVDs later.

Other Genre Examples? *Secretary*, starring Maggie Gyllenhaal and James Spader is most definitely worth checking out. The story follows a shy girl who develops and explores a master/servant relationship with her lawyer boss; *Secretary* may be a mainstream movie, but if it's a bit of kink you're after, look no further!

Kinky Stereotype: Babysitters

What: Usually pertaining to a married, older man seducing a younger [albeit of age, we hasten to point out! – The Ed] girl, there are hundreds of sites devoted to the babysitter fantasy, and even more porn scenes. The temptation to get your hands on some nubile flesh and shitting on your own doorstep has apparently always appealed to us blokes, so shagging the nanny is the perfect mix of both. Hey, if it was good enough for Jude Law and Robin Williams, it's a good enough fantasy for us!

Porn Example: *Babysitters* 1 & 2

Studio: Digital Playground

Highlights: There are Digital Playground contract girls galore in these mucky masterpieces – with the sequel being just as hot as the original. The orgy in the second, for example, is achingly horny – Jesse Jane, Kayden Kross, Stoya, Riley Steele, Bibi Jones all getting it on with a very lucky Manuel Ferrara – and really shouldn't be missed by any self-respecting porn fan. However, if you're not a fan of Digital Playground's glossy affairs, you can't go wrong with the imaginatively titled, *My Wife and I Are Fucking The Babysitter* series, from Devil's Film.

Other Genre Examples? Readers of a certain age may well be familiar with the 1987 movie *Rita, Sue And Bob Too*, and, as such, will probably have the same babysitter fantasies as us! Following the sexual escapades of a married bloke and his two teenage babysitters, it's hilarious, crude and a total classic! But, if you want something a little more modern, a quirky indie film called *The Babysitters*, about a babysitting-cum-escorting service, was released in 2011. Actress Polly Eachus, who plays the lead, is pretty fucking fit!

Kinky Stereotype: Car Washes

What? Surely every man alive can see the appeal of porno car washes? Stunning babes dressed in bikini tops and Daisy Duke shorts, hosing each other down and soaping each other up… Probably our favourite stereotypical scenario to whack off to!

Porn Example: *Car Wash Girls* (series)

Studio: Elegant Angel

Highlights: What's not to love about some incredibly gorgeous porn stars – Audrey Bitoni, Alexis Texas, Bobbi Starr and Eva Angelina, amongst others – covered in suds and getting soaking wet while cleaning cars? For us, the actual sex is almost an afterthought when there are tantalising bubble-covered stripteases starting every scene!

Other Genre Examples? Joy Harmon's excruciatingly horny sponge down in *Cool Hand Luke* has single-handedly launched a thousand spurts (including ours) since it was shot back in 1967. A pre-LOTR Liv Tyler had us all wanking in the back row of the local cinema to her achingly sexy performance in *One Night At McCools'* in 2001, which has to be seen to be believed – so YouTube it, now!

Kinky Stereotype: Air Hostesses

What? With joining the mile high club on virtually everyone's bucket list these days, it stands to reason that trolley dollies, with their smart, tight uniforms which scream to be covered in man juice, are also high on many guys' 'to do' lists. We have a particular preference for those red-lipped Virgins, although other airlines are available…

FLY GIRLS
Babysitters 2
Car Wash
DIGITAL PLAYGROUND
NURSES
RealityJunkies
Office Perverts 6
HARMONY
YOUNG HARLOTS
FORBIDDEN FRUIT
GAZZMAN

Studio: Digital Playground

Highlights: Fly Girls are the hostesses of your dreams; beautiful sluts who cannot get enough of their passengers' cocks. Legendary performers like Sasha Grey and Jenna Haze work well alongside newbies such as Diamond Foxxx and Raven Alexis, making for some explosive trysts. We'd also recommend *Dorcel Airlines Flight To Ibiza*, featuring Tarra White and Madison Parker, a glossy flick in which the hostesses – clad in bright pink, silky uniforms – deepthroat and DP their way across the ocean to Ibiza.

Other Genre Examples? A soft-core porno called *The Stewardesses* was released in 1969 – the first of its kind – which showed hostesses as having a wild and debauched time in the air, and thus, a stereotype was born! Other than that, have you seen *Airplane*?

Kinky Stereotype: College Students

What? Probably the most stereotypical of all porn film set-ups, and for good reason – the short skirt, long socks, tie, blouse and pigtails look has to be one of the cutest there is, which is why it has also been adopted by hen parties and club nights nationwide. There's also something particularly enticing about 'corrupting' someone so apparently innocent – although it's a well-known fact that if she's wearing a sexy college outfit for fun, she's probably well up for it!

Porn Example: *Young Harlots Forbidden Fruit*

Studio: Harmony Films

Highlights: With 22 titles in the *Young Harlots* series, infamous director Gazzman behind the wheel and a top-notch cast everytime, Harmony keep managing to breathe life into a tired genre – and last year's smash *Forbidden Fruit* is no exception. British babes Samantha Bentley and Ava Dalush slip easily into their roles as foxy students with filthy mouths and even filthier minds in their twosome and threesome scenes, respectively, and Italian beauty Valentina Nappi gets involved in a foursome which sees the sexy minx being made well and truly airtight! Phew!

Other Genre Examples? We'll simply remind you of Britney Spears' video for *Baby One More Time* – you know the one…

Kinky Stereotype: Doctors & Nurses

What? Most of us grew up playing doctors and nurses, so it stands to reason that the fascination would follow into adulthood – although none of my playmates, nor any real nurse I've met, looked like Jesse Jane! Usually featuring some sort of dick-splint, bed bath or internal examination, and definitely one or two thermometer jokes, the XXX medical scenario has been, and will be, around for many years.

Porn Example: *Nurses*

Studio: Digital Playground

Highlights: Granted, there are hundreds of pornos featuring nurses, but, in our humble opinion, this one is the best. With a stellar cast, brilliant script and fantastic hi-def close-ups, this flick ticks all the boxes; if you love nurses, you need this!

Other Genre Examples? Although there have been tons of sexy nurses on the big screen over the years, but the one that immediately springs to mind is Daryl Hannah as Elle Driver in Quentin Tarantino's *Kill Bill*. Beautiful, deadly and really, really hot! We think it's the matching eyepatch that does it for us!
